## **1. BASIS OF PRESENTATION**

The accompanying condensed consolidated financial statements of the Debtors have been prepared solely for the purpose of complying with the monthly reporting requirements of the Bankruptcy Code (referred to herein as the “Monthly Operating Report”). The Monthly Operating Report is limited in scope, covers a limited time period and the schedules contained herein were not audited or reviewed by independent accountants nor are they intended to reconcile to any financial statements otherwise prepared or distributed by the Debtors or any of the Debtors’ affiliates. The Debtors reserve all rights to supplement or amend any schedules contained in this Monthly Operating Report.

The information presented herein is subject to further review and potential adjustments, and has not been subject to all procedures that would typically be applied to financial information presented in accordance with Generally Accepted Accounting Principles in the United States of America (“US GAAP”), including, but not limited to, accruals, tax provision and other recurring adjustments considered necessary by management to fairly state the financial position, results of operations and cash flows for the interim period(s) presented. Furthermore, the Monthly Operating Report does not contain all disclosures that would be required for presentation with US GAAP and there can be no assurance that, from the perspective of an investor or potential investor, the Monthly Operating Report is complete. As part of their restructuring efforts, the Debtors are reviewing their assets and liabilities on an ongoing basis, including without limitation with respect to intercompany claims and obligations, and nothing contained in this Monthly Operating Report shall constitute a waiver of any of the Debtors’ rights with respect to such assets, liabilities, claims and obligations that may exist.

The Debtors’ condensed consolidated financial statements presented herein have been prepared on a going concern basis, which contemplates continuity of operations, realization of assets and liquidation of liabilities in the ordinary course of business. Furthermore, the condensed consolidated financial statements contained herein have been prepared following the guidance in Financial Accounting Standards Board Accounting Standards Codification 852 “Reorganizations.” Consequently, certain prepetition liabilities have been reclassified as liabilities subject to compromise. Liabilities subject to compromise currently include debt obligations and amounts due to third parties for goods and services received prior to April 6, 2018 (the date of the voluntary bankruptcy petition) and may include known potential settlement claim amounts. In the future, it may also include estimates for litigation and contingent claims and claims created by the Debtors’ rejection of executory contracts and unexpired leases. The Debtors continue to analyze and reconcile these amounts, and, therefore, the amounts reflected herein are current estimates and subject to change as additional analysis and decisions are completed. The Debtors’ non-Debtor subsidiaries are treated as non-consolidated subsidiaries in these condensed consolidated financial statements and as such their net assets are included as “Investments in non-Debtor subsidiaries” in the balance sheet.

The Debtors caution readers not to place undue reliance upon the information contained in this Monthly Operating Report. The results herein are not necessarily indicative of results which may be expected from any other period or for the full year and may not necessarily reflect the combined results and financial position of the Debtors in the future.

These condensed consolidated financial statements and accompanying notes do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States of America, nor are they intended to be fully reconciled to any financial statements otherwise prepared or distributed by the Debtors or any of the Debtors’ affiliates. This information is unaudited and is subject to further review and potential adjustments. The accompanying notes are an integral part of these condensed consolidated financial statements.
